

Ideation Phase

Empathize & Discover

Date	2 July 2025
Team ID	LTVIP2025TMID59150
Project Name	Plugging into future : an exploration of electricity consumption patterns using tableau
Maximum Marks	4 Marks

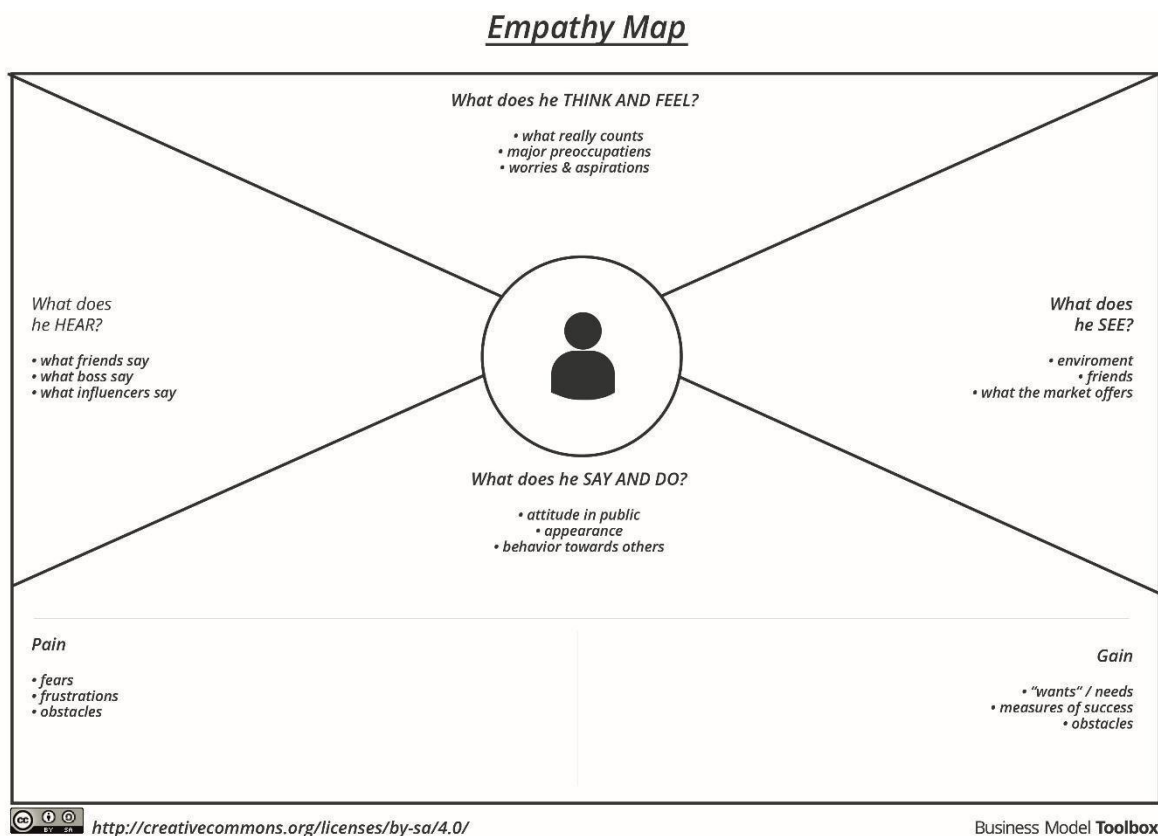

Empathy Map Canvas:

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviours and attitudes.

It is a useful tool to help teams better understand their users.

Creating an effective solution requires understanding the true problem and the person who is experiencing it. The exercise of creating the map helps participants consider things from the user's perspective along with his or her goals and challenges.
